

## Construction Simulator 2+

### astragon Privacy Policy for Construction Simulator

Thank you for your interest in our products and welcome to our Privacy Policy! Our company is

astragon Entertainment GmbH, Am Wehrhahn 33, 40211 Düsseldorf,

hereinafter called **astragon**.

## 1. What is this all about?

In the following we would like to explain you briefly **astragon**'s attitude towards data protection, how we protect your data and what consequences derive from using our programs. We understand the importance of protecting your privacy. Therefore, it's common practice for us to comply with statutory provisions for data protection. Additionally it is also important to us that you always know when we collect data, store and how we process them.

You may always retrieve this declaration under <http://www.bau-simulator.de/privacy/cs2+/aa/en.pdf>.

To make sure that we are all talking about the same issues we like to define a few terms. **astragon** is subject to the German Federal Data Protection Act and the EU General Data Protection Regulation.

**Personal data** includes items of information about the personal or material circumstances of a specific or specifiable individual.

In other "non-legal" words: Personal data is all and any information which makes you personally identifiable, such as address, name, phone numbers, etc.. All other data which cannot be used for identifying you is NOT personal data!

**Collection of data** is the acquisition of data in respect to this specific person.

**Storage of data** is gathering, recording and storing of personal data on a medium for the purpose of further processing or use.

Data processing includes storing, changing, transferring, blocking and deleting of personal data.

## 2. When, how and why is data collected?

**astragon** itself does **not** store and process any data which might identify you as an individual customer! **We do not want to disturb your privacy.**

**astragon** is only interested in aggregated information helping us to continuously improve the quality of our games and to adapt them to the requirements of the customers. For this purpose we use services of third-party providers. Which providers support us in case of your App, can be viewed under item 3.

To be able to use our app, you need to download them first. During the download data are being collected, stored and processed by the respective platform such as Apple iTunes. We have no influence on this data collection.

### 3. How, by whom and when will data be collected for quality assurance?

astragon is not collecting any data whatsoever in this arcade game on our own servers. When using the arcade game we achievement data and leaderboard related data is transferred and stored to the Apple cloud with your Game Center ID. We can not access such data and will not use it, unless in an anonymized form.

Any such data is collected and transferred in regard to all players, as we are not aware of the age of our users. If we learn that the data provided refers to children under the age of 13 – or any other age applicable in under the respective jurisdiction - we will take all reasonable steps to remove such data. In case of older children, the legal guardians may contact us as set out in Section 5 if they wish to have their children's data removed.

The legal basis for processing such data – for adults and minors – are our legitimate interests (Art. 6 para 1 lit. f GDPR) to operate the Game for Apple Arcade and the requirement of the data for our internal operations of the Game for Apple Arcade (COPPA).

### 4. Who collects the data from ad-supported products?

Your product is not ad-supported.

### 5. Can I delete the data and/or find out which personal data are stored about me?

The consent granted herein is voluntary and may be revoked with effect for the future if **astragon** has collected any data for quality assurance purposes (see item 3). The revocation can be sent by email to [datenschutz@astragon.de](mailto:datenschutz@astragon.de). In case of revocation the data will be deleted without undue delay. If **astragon** cannot arrange the deletion, **astragon** is obliged to forward the request to the relevant companies.

If you like to revoke your consent in respect to items 4 and 5, please contact the above-mentioned third-party providers or platform providers. We like to advise you that in this case you might not be able to use the concerning app or platform any longer.

### 6. What are the consequences of accepting this privacy policy?

By installing the software you agree to the usage of the aforementioned data according to the foregoing provisions.

This declaration of consent can always be viewed under <http://www.bau-simulator.de/privacy/cs2+/aa/en.pdf>.
